

Community Conversation: State of the Coordinated Community Plan

In recognition of Runaway and Homeless Youth Prevention Month, The SDYHC is pleased to host a community conversation about our collective progress toward ending experiences of homelessness among youth and young adults in San Diego County.

Our Coordinated Community Plan laid the foundation for our shared solutions to better support and uplift young people in our community. We have made progress as a cooperative group of stakeholders, and still there is much to do. During this session, we will uncover our strengths, areas of opportunity, barriers, and new solutions to work faster and more effectively toward ending homelessness among youth. The session will be facilitated by:
Ron Garnett, CEO of Council for Supplier Diversity
David Baker, YMCA Community Engagement Coordinator.

All are welcome to join this session. Contact us at info@sdyhc.org with any accessibility needs and we'll work to accommodate everyone in gaining access to this important conversation.
